

Hi Guys,

Great news! You will now be able to order your Penzance Swimming Club kit from:

<http://www.swimzi.com/club-shop/penzance-swimming-club.html>

You have **2 weeks** to order your kit before the shop closes at midnight on **Sunday 3rd December**.

Orders placed after this time may delay the whole kit order and therefore will not be accepted. So to avoid disappointment, please place your order now.

**Delivery estimated January - February 2018.**

**Checkout options:**

**Please Note:** Your home address is required for billing purposes, the delivery options will come after this step, we do not require you to enter your clubs address.

Please choose **CLUB SHOP ONLY:** Your kit will be individually packed and delivered to the club.

**7 Working Days:** We are unable to remove this from the website due to our retail range. Please choose the club shop option as you will not receive your kit any sooner by choosing this option.

We no longer offer **personalisation** on sweat items (hoodies, Swimzi's), however you can still add a name to your shirt.

Our Junior **shirt sizes have changed**. The size JNR relates to the old '13' size; and the old '11/12' is now called 'XS JNR'. If you are unsure about sizing, please email [enquiries@swimzi.com](mailto:enquiries@swimzi.com) with your measurements and we will try our best to advise.

If you have any other questions, do not hesitate to get in touch.

Many thanks,

Swimzi
